Experience Saw a double of myself today. (self.Paranormal)submitted 2 months ago by [jjlbb](#)

So this past Wednesday as I was driving home, I saw an identical version of myself. A little backstory, I live in a very rural area, mostly two lane roads and single lane roads. I was driving my wife's car, going toward my home. As I topped a small hill, I could see someone in the oncoming lane. No big deal but as it was in a curvy section of road, I slowed down. I noticed the car looked like hers, and then I noticed that it looked EXACTLY like hers. As we passed, I looked and saw that the man driving was me. Same clothes, same car, had the window down just as I did. I stopped at the next place I was able to get off the road and just thought about it for a few before driving on home. Kinda forgot about it, but it's beginning to bug me. What could this be?

When I was in my twenties, I visited a friend who lived in a high-rise apartment. I stepped onto the balcony and saw myself standing on the neighbor’s balcony looking over at me.

Your mind playing tricks on you.

If it was me, then I would have made a u-turn and at least checked out the license plate.

I've seen this. It's just a glitch in the matrix. Not a conscious entity. No real sense or reason behind it so far as anyone can tell.
