## Deceased Dream Visitor

(self.Paranormal)

submitted 2 months ago by [dissapointmentitis](#)

My Grandmother whom I was extremely close to passed away in late October (due to old age). The loss was a major shock to my family and I because she was acting like she normally did the day before she died and wasn't sick or anything. Anyways, she's recently been appearing in my dreams and tries to talk to me but I can only make out 1 or 2 words. I don't feel any negative/harmful energy from her so I'm pretty sure that it's her. However I'm here to ask if there's any way that I can talk to her clearly?? I think she's trying to tell me something. Anything helps!

What is stopping you from hearing what she's saying?

She just sounds really muffled or like she talks but no sound comes out. She makes facial expressions though so sometimes that sort of helps??
