Shadow Man A man came to visit me in the middle of the night. (self.Paranormal)
submitted 2 months ago by [Iamageekbutidc](#)

So, I experienced something really weird in about May. I went to sleep, like a normal person does, and everything was fine. That was, until I woke up in the middle of the night. I wanted to check what time it was, but I couldn't move. Then I heard it. There were loud footsteps and a man or something walked up the stairs. The thing was, this thing wasn't a man. It was some sort of entity, because he was made of shadows. It looked like he was from the depression era, because he had a fedora or some sort of brimmed hat. It didn't walk towards me at first, it actually went in my mom's room. then, it walked in my brothers room. After that, it walked to into my doorway and stopped. It just looked at me. It didn't have eyes, but I could feel it watching me. I had a big feeling of terror and i though I was going to die. Then, it disappeared. I wasn't the only person who heard something that night. My brother said he heard something walk into his room, and stand near his bed. He said he could also feel something looking at him. What was this thing? Has anyone else experienced this?

You'll find many Hatman stories. I saw him when I was six years old in 1990. It was only about two years ago that I realised how many people had and have seen him.

It sounds like the hat man. He's one of the most renowned shadow people. Many say that they feel malevolent energies coming from him but, as far as I know, no one's ever been harmed by him

I do experience it a lot. (almost every day)

They are called shadow entities or demons. As long as you are not a christian or have bad intentions towards them, they will not harm you. If you are really openminded they even can be friendly towards you...

If you're not Christian they won't hurt you? Hmm. I've heard they will actually leave if people pray.

Thats because praying is an counter attack on a entity.

I do live in a christian household and I consider myself christian, so that's not good.

I wouldn't take that too seriously. Shadow people not liking Christians sounds very dubious to me.
