Unexplained Update! Something happened again a few minutes ago.

(self.Paranormal)

submitted 2 months ago by d00n3r

My wife and dog came home a few minutes ago. Skeeter was busy eating his lunch when he became alert and rigid and started to growl very low. Then a book on my bookcase was pushed to the back of the shelf seemingly all on its own. I was able to watch it happen because Skeeter was in front of it at the time.
