Giggling children

(self.Paranormal)

submitted 2 months ago by [Seoulcxol](#)

It was approximately 2am today when I suddenly woke up as if I wasn't asleep at all. I was staring at the ceiling when I had woken up and I started to hear children giggling. It sounded like there were a group of young children and were just laughing. I figured it was one of my neighbors children until I realized it was 2 in the morning and every house in the neighborhood had their lights out and were fast asleep.

The giggle lasted for a few minutes until I turned to my side to try and go back to sleep. The moment I turned, I began to hear a hum, as if a woman were humming. I find it weird because this was the same hum I first heard coming from the woods near the cemetery my grandpa is buried.

Does anyone know what this could possibly mean or be?

Sounds like an attachment, perhaps picked up at the grave site. Many stories here talk about spirits trying to communicate with smells, or taps or laughter, walking up and down the corridors etc. You can chose to ignore it (sometimes not giving it attention is enough to get rid of them) or do some sort of cleansing to get rid of it. You can definitely get rid of it
