Ghostly Campfire

(self.Paranormal)

submitted 2 months ago by SkirtApprehensive533

When I was around 3 years old, my family lived in a house next to a woodsy area. One day, my cousin and I were in the front yard playing and looked toward the woods. We both saw 3 men sitting on logs around a fire. They were wearing what I used to call "hobo clothes", kind of drab brown pants and jackets with white shirts. My cousin ran to the front door and called for my mama to come look. I turned my head to watch her, then when I turned back to look at the men. They were gone. No fire, no trace of the logs they had been sitting on. Years later, I saw some men in an old photos wearing the same kind of clothing, from around the early 1900's. Just normal clothing for that time in South Georgia. I always wondered who they were and what happened to them.
