Shadow People The old Victorian

(self.Paranormal)

submitted 2 months ago by [LittleMissGemGoddess](#)

When I was a kid we lived in an old Victorian house that was split into apartments. We lived in the middle one and it had blocked off door ways and such. Kind of giving unsettling vibes in itself. It creaked and snapped often.

On several occasions doors would slam shut, open, I'd hear my name called by unfamiliar voices, the tv would come on, I would see shadow people walking back and forth. But the scariest encounter that still haunts me to this day is when this dark entity would shake our bunk beds (me sleeping on top bunk) and on one particular night, as I lay facing the wall, I felt it lift itself to my level and growl in my ear. I could feel it's breath, damp and hot on the back of my neck. I tried to scream for my mom but nothing would come out I laid there paralyzed.

The rumble and tone of its growl was unlike anything I had experienced before and have yet to experience again to this day. As an adult I still sleep with the blanket pulled up over my ear. 😊 I have some more encounters if anyone wants to hear them please let me know!

The fact you couldn't move or speak leads me to believe this was a sleep paralysis episode, scary nonetheless and I think they are definitely connected to the paranormal having suffered terrible episodes similar to yours, shaken, choked, suffocated, lifted off the bed... I'm sorry this happened to you it's sounds terrifying and the fact you were a kid makes you braver than me! The other occurrences are certainly strange too and I believe you, were the shadow people on the tv or in the room? And what did they look like if you can describe any more details, thanks

I was very much awake I had been laying in my bed just getting ready to go to sleep. I always dreaded this time because they would begin to stir in my room. The shadow people would be in the room you could even feel them there if that makes sense.

The ouiji is no joke! Noway will i ever mess with those!! They open doors to the unknown. I couldn't imagine the terror first hand.. I haven't seen anything not that I ever want to...but voices, TV s, lights turing on...yes! Glad all is well. Please do post more occurrences you had in that house

If ever... just move slow. Have no clue what to expect. Don't rush. And keep your eyes clothed! Only open slowly and when alone. Squint crazily. And then you can see what you could be working with.

As soon as I got your (?)message my phone rang. I drove a purple crown Victoria car. When you have nightmares every night, you can never really escape the activity. All you can do is go deeper to like alien v demon. Or god v angel. One strange note is that it seems like our families are never possessed, only us. Our families are evil doers.

Agreed! If you take a closer look...our families do have a roll on our well being. For me childhood "skeletons in the closet" that only my siblings & I can ever try to

understand...haunts me til this day. Just like you..had to face my own demons awake or asleep in order to move on. When you're challenged in a different realm...it changes your reality.

I agree! Those relentless skeletons were scary!! Like you, I'm happy to have grown up!!! I always wondered if kids else where went through the same hardships. Now I know.. . I was always a target in school and home so maybe that had something to do with being bullied by another entity.

Yeah. That exact same thing used to happen to me. Paralyzed is the key word. Like a witch riding your back and can't move. It all comes wrapped in one big nightmare sandwich.

My main question back then at 3-11 was ; why do I have nightmares EVERY NIGHT?!

That is the foundation of many a haunted Adult - OP.

and there you have it. Oh dear. I have done as well.... and it didn't turn out too bad but it could have been a lot worse.

As long as the entity you mentioned has not followed you then all is good?

That is great news. And with that I will call it a day and read some classic ghost stories from MT James with a bottle of red. Have a great and safe evening.
