Encounter Lucid Dream? Or some
sort brain thing. (self.Paranormal)

submitted 2 months ago by MiddleNeat

So I had this really awkward dream the other night. I live in Colorado but I'm from Louisiana. So I remember passing out on the couch in livingroom. And I was dreaming I was in Louisiana talking to my brothers on porch. And we live in bayou country. Farm type. All of a sudden a huge gust of wind was blowing and started kicking up sand and dirt(front yard) and some went in my mouth. Could literally fill the gravel hitting my cheeks.. I remember we were running inside and as boys do we all struggle thru door at once. Somehow I fell to the ground and then suddenly woke. Immediately I looked around and realized I was in colorado. But the weirdest thing is I woke with taste of sand in my mouth. Maybe 10 seconds. Then mouth cleared back up.
