**Unexplained** Showering Alone?

(self.Paranormal)

submitted 2 months ago by [ArcturusTea](#)

I was destressing for the day, and taking a long, hot shower. As I rinsed the soap off of my hair, I felt a heavy hand press into my back. I became frozen from surprise because with! The hand lifted slightly as fingers lightly scratched my skin, then it glided down to my rear end!

I turned around, and there was nobody. I was the only one in the bathroom with the door locked! If someone were to run in and out, then my stuff that was in front of the bathroom door would've been knocked over.

I examined the shower floor, and looked for any logical explanation, but couldn't find any.

I told some people about this, and one of them thought it might've been a clump of my hair, since I was rinsing it, or a hair clip, but nope! That's the first thing I assumed too, but there was no hair, or anything else in the drain.

Whatever it was, I could sense this playfulness from it's touch. It's hard to explain, but never have I felt so violated by ... Nothing.

I sensed something creepy like that before but it felt like someone was climbing or pressed onto my bed mattress when i snoozed in the morning. And barely touched my back. Before that i had an encounter with a translucent humanoid inside my house.

How did the humanoid look?

it was like cloaking alien in the Predator movie.

I had something like that run into my room in the middle of the night when I was a kid. Only saw it for a brief second and scared the living crap out of me.

Ghost of a pervert, maybe? Do you know anything about the people who lived there before?

[permalink](#) [embed](#) [save](#) [report](#) [give award](#) [reply](#)[-] [ArcturusTea](#) [S] 2 points 2 months ago

Not really. I don't believe in ghosts, but I guess that's the only other explanation.

Can you research your house? Was a pervert living there before you moved in?

As far as we know, nobody died in it.

Do you have a dog?

No. I was alone in the bathroom, so a dog couldn't randomly walk in and leave. Lol!

Can you get a dog? Preferably a rescue dog or cat?
